Welcome To The Minden Fall Fair On Sat.

It is September once again and Fall Fair time. This Saturday, September 12th, one of the best Fall Fairs in Ontario, the Minden Fair, will be held at the Minden Fairgrounds. The official opening is scheduled for 1 p.m.

This year the Fair Board has lined up a fine selection of entertainment. This year the featured band will be the Stayner Pipe Band, a wonderful musical organization. Back again for a return engagement will be the Kansas Farmer and his

singing Irishman.

Among the many attractions will be a horseshoe contest, a ladies' nail driving contest, log sawing contest, square dancing contest, step dancing contest, old time fiddlers' contest and a

skipping contest.

Young and old will thrill to the new rides, midway, horse show and many other amusements. When attending the fair don't miss the exhibits, horse show and special displays.

Advance tickets are now on sale and they are good for admission, plus a draw for \$50.00.

Make it a date now to take along the entire family to the Minden Fall Fair this Saturday.

Name The Resort Winners Announced

Mrs. Judy Thibadeau of Haliburton has been declared the winner of the "Name The Resort" contest. Said contest created much interest with over 1100 names being submitted. The name selected was "The Kennaway Inn". The name was also submitted by Dan Davison of Lochlin, but in the draw Mrs. Thibadeau was declared winner and Mr. Davison coming in for second money. Third place was won by Mr. C. Howard Chandler of 64, Lawton Blvd., Toronto.

The choice of this name is quite an appropriate and happy one in view of the part played by Sir John Kennaway in the development of the area comprising of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde.

John Henry Kennaway was a successor to the Hon. T. C. Haliburton as Chairman of the Canadian Land and Emigration Co., who opened up this territory one hundred years ago. Kennaway became a member of the British Parliament and later a Baronet.

It was 95 years ago this month that Sir John Kennaway visited Haliburton to view the holdings of the Company and to see conditions at first hand.

Sir John is commemorated by the Kennaway Road, completed in 1872 to link the Village of Haliburton with the settlement of Kennaway in Harcourt Township.

It is noteworthy that the Kennaway Road passes very close to the site chosen for the proposed all year round Resort.

Resort Plans Disclosed

Detailed plans for a proposed year-round resort facility, to be known as The Kennaway Inn, were disclosed recently by the Buffalo, N.Y., interests who have been actively working on this project in the Haliburton area for the past two years. The two-storey structure will have 150 guest rooms, convention facilities for 400, dining rooms, lounges, dance hall, marina, banquet rooms and a full range of service facilities such as beauty shop, tuck shop, ski shop.

The resort is expected to provide employment for as many as 150 people and will operate the year-round. Family ski trails, complete with chair lifts, are planned for the high rising slopes located on the site of

Official Opening Of Minden Municipal Bldg

Citizens joined by visitors from other municipalities were present at the opening ceremonies of a smart new municipal building on Wednesday afternoon last in Minden. We gather from remarks made that some of the ratepayers may not have been sold on the location of said offices and council chambers, but no one can deny that it is a well constructed building and in our opinion they have a council that prefers to look ahead rather than behind.

Before the opening ceremonies, we had the opportunity, along with others present, of inspecting the new municipal garage and it is just another example of a council looking into the future. The garage which is built of cement block construction is built with doors high enough to accommodate any piece of municipal equipment. The building would appear to be of ample size to care for municipal truck and equipment of the Municipality of Anson, Minden and Minden for some time to come, but when the time comes plenty of room will be available for expansion.

Reeve Lawrence Pritchard acted as master of ceremonies and welcomed those from Minden and of the surrounding Municipalities for the time they had taken off from their duties to be present for the occasion and paid high tribute to members of his council who had co-operated to make the construction of the new building possible. The Reeve then called upon

the Rev. D. W. Staples who read a portion of scripture and offered the prayer of dedication. The minister complimented.

Station Wagon Complete Write off

Peter Zsolt Tatrallyay, 19, of 1473 Mayfair Ave., Peterborough, an employee at Halimar Lodge near Haliburton is in the Haliburton Red Cross Hospital suffering minor cuts and bruises as a result of an accident on Monday morning.

Mr. Tatrallyay was driving Bruce Henry's Jeep station wagon Highway 519 past the South Kashagawigamog Road when he saw an upcoming car. The station wagon started to skid and the driver lost control and the vehicle went 175 feet into a ditch.

According to local O.P.P. officers the Station Wagon is a complete write-off. O.P.P. Constable Dave Enley investigated.

The Fishing Is Good

Mark Schell of Haliburton claims that the fishing is excellent at Haliburton. Just to prove his point, Mark went out on Tuesday, September 1st and caught a 5 lb. 8 oz. speckled trout with a minnow as bait.

Mark would not give the name of the Lake in which he caught the fish.

3 Minden People In Hospital Following Head On Collision

Three Minden people are in hospital after being quite severely injured following a two-car head-on collision at 7:30 p.m. on Saturday, September 5th.

A car driven by Craig Gartshore of Minden met head-on with a car driven by Max (Deac) Jackson, also of Minden on a sharp hill on the South Lake Road, two miles from Minden. Minden O.P.P. informed the Echo that the damage to each car was estimated at \$1,000.

Craig Gartshore, driver of one of the cars involved in the accident is in Lindsay Ross Memorial Hospital with serious facial injuries.

Margaret McElwain of Minden, a passenger in the Gartshore car is also in the Ross Memorial Hospital with a fractured pelvis and undetermined head injuries.

Max Jackson, driver of the other vehicle is in the Minden

Red Cross Hospital with fractured ribs and severe facial lacerations.

O.P.P. officer Parsonage of the Minden detachment investigated.

ONE-CAR ACCIDENT ON NEW BUCKHORN ROAD

Brian Grant Cowan of Haliburton was the driver of a 1956 Dodge car which was in an accident on Sunday morning.

The driver was on the new Buckhorn road to Gooderham when he went to light a cigarette and the car went to the left into a ditch causing considerable damage to the bumper and fenders. Damage to the car is reported to be about \$200.00.

O.P.P. Constable Dave Exley of the Haliburton detachment investigated.

Car Leaves Road

A New Toronto man was slightly injured when the car he was driving left the road on Sunday evening at 7 p.m.

Irwin Ellis was driving his 1963 Ford car on the Buckslide Road, south of Hall's Lake, when he lost control on a hill. The car turned over on its side. The Minden O.P.P. report damage to the car at \$250.00.

O.P.P. Constable Heath of the Minden detachment investigated.

Fishing Good At Hillcrest Haven

Guests at Hillcrest Haven, West Guilford, were very pleased with their fishing over the week-end at Grass Lake.

On Friday night Craig Smith and Peter Dellar caught 9 bass, each weighing three to five pounds.

On Saturday Mr. Deller and Ross brought in eight bass. Not to be out done, Ross and Vern Humphries were lucky enough to catch two bass at 4 lbs. and 5 lbs. 2 oz.

Mr. Chris Shiels and son took home four lovely lake trout weighing three to four pounds each. These came out of Kenisis Lake.

Editor,
Haliburton County Echo,

Dear Sir:

The response to the "Name The Resort" contest, which was conducted during the month of July, was indeed gratifying. We received over 1100 entries from the residents of various parts of Ontario. Many of the entries were accompanied by sketches and/or outlines, giving background information as to the reasons for their particular choice. The enthusiasm with which this contest was received seems indicative of the interest of the people of this area in our proposed year around resort.

We offer our congratulations to the three winners, and would like to thank all who took the time to enter this contest and make it the success we feel it was.

Very truly yours,

NORMAN A. REBADOW,

Young Lindsay Boy In Hospital Following Accident At Minden

Ross Musson, 15, of R.R. 3, Lindsay is in satisfactory condition in Lindsay Ross Memorial Hospital following a car accident Sunday afternoon on the Deep Bay Road, five miles south of Minden.

Musson was a passenger in a 1964 Chev. car driven by Elizabeth McAdam of Scarborough which was in an accident with a 1957 Ford driven by Jack Sawyer of Downsview.

The two cars met on a curve with damage to the left front corners of each car. Damage to both cars is estimated at \$1,000.

The injured passenger received several lacerations on the forehead, scalp and left temple. O.P.P. officer Jack Eastwood

of the Minden detachment investigated.

Accident Near Buttermilk Falls

A 1963 Oldsmobile car driven by Frank Schlotter of Weston left the road on a curve and went into a ditch in a one-car accident over the week-end.

The driver lost control of the car on the Beech Lake Cottage Road near Buttermilk Falls. Damage was estimated at \$300.

O.P.P. Constable Parsonage of the Minden detachment investigated.

News Notes From The County

LINDSAY (ENS) — Lindsay's newest band — The Commodores — is in need of talent, large or small.

A spokesman said last Tuesday there are now about 20 musicians of varying abilities in the band and there is room for at least 10 more.

The Commodores was organized about a month ago by graduates of the Kinsmen boys and girls band and the old Legion band.

It is a senior band. Most of its members left the Kinsmen band because they outgrew it.

"If anyone has ever played an instrument, they are more than welcome," Frank Mitchell said. "We are prepared to give some help."

The Commodores ended its first parade, the Lindsay Kinsmen parade, and won first place as the best band on parade.

Practices are held Monday at the Lindsay Memorial Recreation Centre after the junior band practice.

The band appeared in the Fenelon Falls and Kinsmount parades recently and hopes to march in the parade at the Bobcaygeon Fair.

Visitors to the Canadian National Exhibition saw some familiar faces at the Department of Lands and Forests booth. On duty at the exhibition from the Lindsay District were Ranger Harry Bates of Gooderham and Ralph Tippet, formerly of Lindsay.

Bag and possession for water-

fowl remain essentially unchanged in Ontario, according to the 1964 Migratory Bird Regulations, details of which were released recently by the Canadian Wildlife Service, Department of Northern Affairs and National Resources.

The financial affairs of Lindsay Lions hockey club became public knowledge last week with the release of a financial statement by former president Bill Jackett.

On Monday, August 24, 1964, there passed away in Belleville General Hospital in the person of Mr. Alfred E. Barker, one of the oldest citizens and longest residents of Bancroft.

Property and construction plans should be submitted to council for approval before any building is done, Bexley Township Council decided at a meeting held last week.

The need for some effective by-laws governing building and subdivision was seen after a lengthy discussion of the sale of a piece of property near Kirkfield. Ross Faulkner, assessor, reported to council he had tried to set the assessment for the property on which a house had already been erected, but there was no record of the size of the parcel. The person who sold the parcel was contacted by telephone and was instructed to send the information to Mr. Faulkner and to the Township Clerk.

COBOCONK (ENS) — A request by the Village of Coboconk for additional parking as a centennial project was rejected last Tuesday by Bexley Township Council.

The request from the village trustees asked that council take steps to purchase or expropriate a certain property on the west side of Main St.

Council replied that money received from centennial grants would be used in the acquisition of a fire hall and equipment.

In other business, Bexley Council:

Approved a \$50 grant to the Coboconk cemetery board for the erection of stone gate pillars.

Received a letter from a summer resident of Long Point with a cheque for part of his year's taxes. The Toronto resident explained that he had deducted from his tax bill an amount corresponding to the per capita cost of fire protection in Long Point which, he said, was non-existent. He said he did not have to pay because he hadn't received a letter from the municipality stating such service would be started. A letter was sent in reply stating that the township was in the process of acquiring a pumper truck at Long Point and that there has been fire protection in the area.

Commencing this Thursday, September 10th at 4 p.m., Hobby Class in the Salvation Army Hall for Young People. All are welcome.

A fourth entrance (on the west side of the grounds) will greet visitors to Lindsay Central Exhibition. Newton Wilson, manager, said Friday construction will be completed by the end of this week. The entrance will be used to relieve congestion at the north gates on Colborne St. It is now known if the gate will be used as a general admission entrance or for exhibitors.

The Haliburton Camera Club will be holding their first meeting of the 1964-65 season this Thursday, September 10th at the Haliburton High School. Anyone interested in Photography is invited to attend.

The Redstone Lake Cottagers' Association held their 4th Annual Regatta at Big Redstone on Sunday last.

According to a write-up in the Peterborough Examiner there are more charges being laid in the Bancroft counterfeit case.

Simone Crisolago, 28, of Toronto, appeared in Belleville Magistrate's Court last Wednesday charged with possessing counterfeit money in Bancroft. He was remanded in custody until last Friday. Crisolago was arrested in Bancroft on August 30 after bogus \$20 bills had been changed with local merchants. Police said that six other bills had been recovered since the arrest.

O. J. Freeman, Toronto lawyer, requested bail for his client whom he said was a substantial citizen with his own business. It was refused. "It doesn't sound like much of a business when you find this kind of a charge," said Magistrate T. Y. Wills.

YOUTH ALLOWANCES ACT

The first payments will be made this month under the Youth Allowances Act passed recently by the federal government.

This act provides an allowance of ten dollars a month for children 16 and 17 years old, still in attendance at school or unable to attend school because of physical or mental impairment. It is applicable only in areas where a similar provincial plan is not already in effect.

Application forms were sent in August to parents of children 16 and 17. Anyone whose child fulfills these requirements and did not receive a form may obtain one by writing to the Regional Director of Family

Allowances in their provincial capital.

This allowance will not be sent automatically — it must be applied for. Application forms should be completed and returned promptly to avoid delays in receiving the first cheque.

Did you know that the Highlands of Haliburton boast over 600 lakes containing various species of trout, bass, pickerel and maskinonge.

There are approximately 23 weekly newspapers and five dailies in the Lake Ontario Region, along with three monthly newspaper and one bi-monthly.

A good number of citizens attended the Kinsmount Fair held in Kinsmount on Saturday.

Lindsay, which began as a milling centre on the Scugog River, is now the County seat of Victoria and its largest town.

SUMMER: WHO NEEDS IT?

Waning summer is a sad time, in a way. The halcyon days have come to an end. The sun has lost its burning, baking strength. The nights come sooner, and cooler.

Young lovers who have had a summer affair part with a last embrace, desperate promises to write, and a great heart-wrenching, a feeling that something is going to be lost, irretrievable. And they're right.

There is a slightly forlorn, lonely air about the beaches and the resorts and the summer places. They have acquired a certain air of shabbiness that goes with the end of summer.

Canadians fall asleep every year, in June. Lulled by the whispered, scented promises of that lush and lovely month, they dream of dazzling beaches, pine-scented woods, fun and sun, health and happiness.

And then the dream turns into the reality. The sizzling irritation of the July heat wave, when they have decided for a change, to take their holidays in August this year. And the cold, wet blanket of August, which turns camping trips into shivering family feuds, cottages into miniature mental institutions, and resort owners into wild-eyed neurotics.

But don't let this end-of-summer sadness bother you. It's phoney. Canadians are not really sad as summer ends. At least, they're no more sad than I am, when I dream I'm flying to Hong Kong with Elizabeth Taylor, and I've just drifted off with her head on my shoulder, and she shakes me gently and leans into my eyes and says, "I think I WILL have a double brandy", and I suddenly wake up and the Old Battleaxe is shaking my shoulder, the one with the bursitis in it, and mumbling, "Gemme a drinka woder."

Summer in this country is an absolute fantasy, something in which no sensible Canadian

would put any more faith than he would in his Irish Sweepstake ticket, or his old Aunt Ethel who has changed her will six times.

Summer in this country is a fraud, an illusion. Every time I lie out in the backyard, on the green grass, with the green trees enclosing a circle of blue sky above me, I shake myself and pinch myself, until I know it's a dream, and that if I tried the same thing for months later, I'd be buried under three feet of snow.

That's why I feel no real sadness as summer draws to a close. The Canadian summer is about as real as Gilbert and Sullivan.

In fact, I am elated at the thought that another two months of muddling around with visiting relatives, irrational golf balls, reluctant fish and lippy kids is at an end.

As any true, red-blooded Canadian knows, fall is the time when we begin to live again. We love it. We come alive. We stop dreaming.

We look at our kids with clear eyes, after the opium-dream of summer, and find they've grown four inches. We look at our stomachs, after two months of barbecued chicken, french fries and dairy queens, and find they've grown two inches.

We look with loving eyes at our schools and realize with some joy that it's only a few days until we can take advantage of our position as taxpayers, and get rid of the kids for the best part of each week.

We look at our country and see it with new eyes. It's beautiful. Not a tourist in sight.

We look at our soft, soppy, silly, summer selves, and realize that this is not what life is all about. And we give a dim silent Canadian cheer for the fact that it's all over once again, and we can get back to the serious things of life. Like having a baby. Or running for the school board.

Mr. and Mrs. Ernest Windover Celebrate 50th Wedding Anniversary

Mr. and Mrs. Ernest Windover of Minden celebrated their Golden Wedding Anniversary on Sunday, August 30th, and were at home to their many friends and neighbours who called to offer their congratulations and best wishes.

Prior to their marriage in Cambridge Street United Church in Lindsay, Mrs. Windover was the former Mary Ellen Pogue, daughter of the late Mr. and Mrs. Samuel Pogue of Lutterworth, and Mr. Windover, the son of the late Mr. and Mrs. John Windover of Lakefield, Ontario.

To this union was born four daughters and two sons, (Mildred) Mrs. Lloyd King of Woodville, (Leona) Mrs. Albert Gardiner of Lindsay, (Grace) Mrs. Harry Earle and son Roy of Minden, Junior predeceased and (Jeanne) Mrs. Garry Vasey of Bradford. They have nine grandchildren and three great grandchildren. The family were all able to be with their parents on this happy occasion.

Their home was beautifully decorated with many baskets and bouquets of yellow roses and white and yellow chrysanthemums.

The table was decorated with tall white tapers centred with the Anniversary Cake which was made and decorated by their daughter, Mrs. Harry Earle. During the afternoon, Mrs. I. M. Fleming, Mrs. Morgan Prentice, Mrs. Roy Hazelton and Mrs. Joe Patterson poured tea and during the evening Mrs. Percy Brintnell and Mrs. Pat Clark.

Mr. and Mrs. Windover were happy to have their bridesmaid, Mrs. Coleman Aldred of Peterborough, with them on this joyous occasion.

They were the recipients of many beautiful gifts and floral arrangements. Mr. Glen Hodgson, M.P.P. for Victoria and Haliburton presented Mr. and Mrs. Windover with a framed plaque on behalf of the Provincial Government. Congratulatory messages were also received from the Honourable Mr. Pearson, the Honourable Mr. Diefenbaker, the Honourable Mr. Frost and Mr. Charles Lamb, Federal Representative for Victoria and Haliburton.

Over five hundred guests attended this happy occasion, many coming from distant points in Ontario and the United States.

The only woodburner locomotive in Canada used for exhibition purposes, No. 40, a 4-4-0 type, was built in 1872 for the G.T.R. and operated for many years in passenger service between Portland, Maine and White River Junction, Vermont. This engine was in Haliburton on display for the Rotary Carnival and Centennial.

Two Uninjured In Plane Crash At Algonquin

BRACEBRIDGE — Two New York City residents whose light plane crashed into Dividing Lake, near the southwest corner of Algonquin Park on Saturday, stumbled into a hunting camp near Dorset early Sunday, unhurt except for sore feet.

William Conkling, 30, and Anita Cox, 26, took off from Muskoka Airport in the single-engine craft bound for Killarney. They crashed into about 10 feet of water but were able to get out with some of their belongings before the plane sank.

The plane is not believed to be seriously damaged and plans are under way to retrieve it. Cause of the crash was not known.

Letters to the Editor

45 Francis Street,
Lindsay, Ontario,
September 4th, 1964.
The Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

May I be permitted through the columns of your paper to express the thanks and appreciation of the Executive of the Victoria and Haliburton Unit of the Canadian Cancer Society to all those good people who contributed to this cause in our campaign for funds last spring and summer, and a more than double thanks and appreciation to all who gave of their time and talents and collected from house to house. Our Society depends on these people and without them it would collapse.

The disease is so serious and the research being carried on year in and year out is so necessary and so hopeful that we must and will carry on.

May I also at this time extend an invitation to you to attend the Annual Meeting of our Unit which will be held in the Committee Room over the Fire Hall in Lindsay on Monday, October 19th, at 8 p.m.

Again thanks to everyone who helped in any way.

Jasper Forman, President,
Victoria & Haliburton Unit,
Canadian Cancer Society.

Township To Help Club Build Centre

COBOCONK (ENS) — Bexley Township Council took the first steps last Tuesday to approve lending of money to Cobocok Lions Club to help with the construction of a community centre.

At the meeting, council received a letter from the solicitor advising that a municipal loan could be made through a parks committee made up of ratepayers and council members.

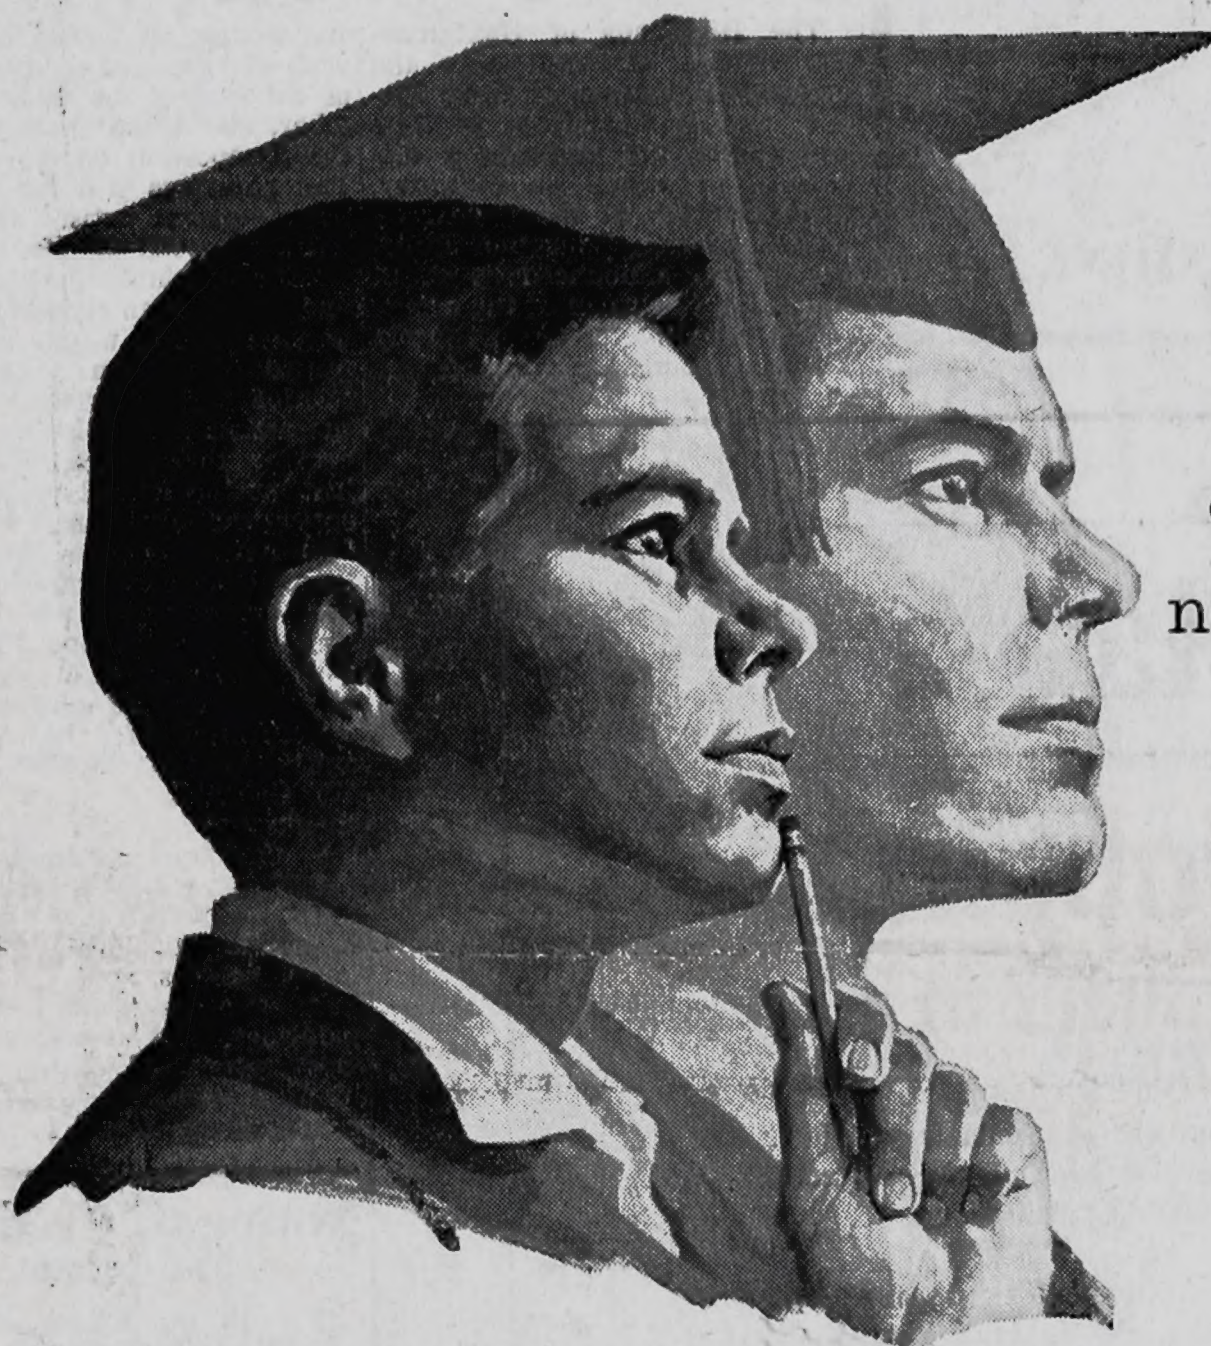

The committee, headed by Dr. R. E. Jamieson, was formed in May. Council must now pass a by-law allowing for the loan to be made.

The Lions established a park in Cobocok and turned it over to the township. It now has most of the money needed for the erection of a community centre in the park.

Construction cost is expected to be close to \$55,000. Council was informed most of the amount has already been raised or arranged.

Council will give final reading to the money by-law at its next meeting.

BANK OF MONTREAL UNIVERSITY EDUCATION PROGRAMME

A comprehensive, life-insured plan for financing a college education for boys and girls now in high school

If you are like most parents with children in high school, you are probably wondering how you are going to meet the costs of financing your youngster's college education. To help parents solve this problem, the Bank of Montreal has introduced its University Education Programme—the first life-insured plan of its kind in Canada.

Under this comprehensive programme, parents, guardians and sponsors of high-school students can spread the cost of a university education over periods of up to nine years, thus keeping monthly payments to amounts they can afford without hardship. And the cost to the parent is only a fraction of the interest paid on a straight loan programme.

HOW THE PROGRAMME WORKS

Under the basic plan, the parent agrees to make monthly payments to the Bank starting, say, two years before the student enters university, and terminating one year after graduation. In return, the parent receives an annual sum from the Bank at the start of each of the four university years.

VARIANTS OF THE PLAN

Several optional plans are available under the programme, and these vary as to the number of years in which the parent wishes to make monthly payments, as well as to the amount required annually for university expenses. Plans are based on objectives ranging from \$1,000 to \$8,000 payable to the parent in four annual instalments.

Here is an example of how one of the basic plans can be varied to suit your needs:

OBJECTIVE: \$4,000
To be paid to the parent in four annual amounts of \$1,000 each

OPTIONS	YOU PAY MONTHLY	PERIODS OF PAYMENT	YOUR PAYMENTS BEGIN
Plan A	\$49.55	7 years	2 years before university
Plan B	42.78	8 years	3 years before university
Plan C	37.56	9 years	4 years before university

LIFE-INSURANCE FEATURE

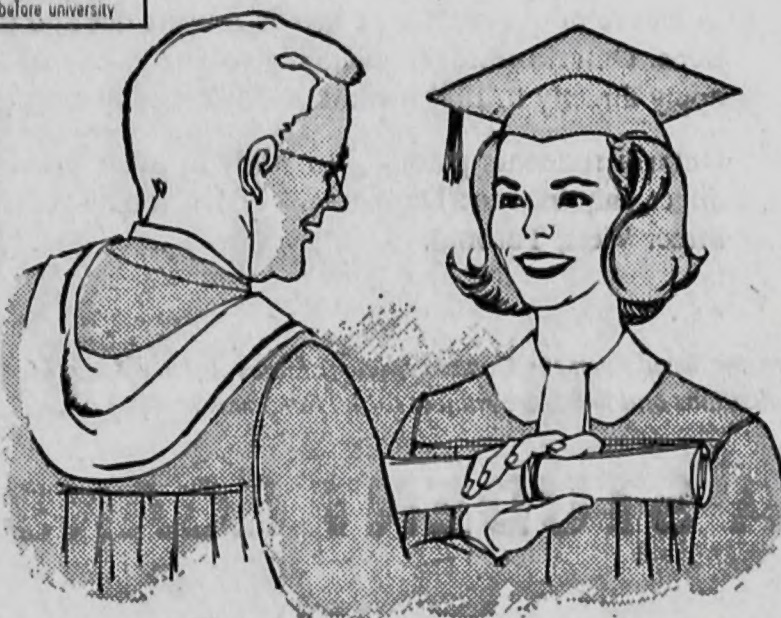

If the parent concerned should die after the start of the programme, the funds for education specified in the agreement will be advanced by the Bank each year without any further payments being made by the family or the estate.

HOW TO JOIN THE PROGRAMME

See the people at your neighbourhood B of M branch. You will receive a warm welcome from a staff who will be pleased to give you further details and to help you select a plan suited to your needs. Ask for your copy of the Bank of Montreal University Education Programme folder.

P.S. If you need help in financing a student already in University—or planning to register this year—talk to your B of M Manager. Chances are he can arrange a tuition loan with extended payments adapted to your circumstances.

Lindsay Pro Player's Contract Bought By Cleveland Barons

For pro hockey player Bill Speer of Lindsay the 1964-65 hockey season has already started.

Bill was notified this week that his contract with Eddie Shore's Springfield Indians has been purchased by the Cleveland Barons.

"The biggest break I've ever had," was Bill's reaction to the

news.

He has started to whip himself into condition for the upcoming season already by working out at the Lindsay Kiwanis Arena.

Bill reports to coach Fred Glover in Montreal on September 14th and the training camp opens there the next day. Gen-

eral manager of the club is Jack Gordon.

Art Group Plans Symposium

The Highlands of Haliburton Art Group, enthused over the exceptional success of their Second Annual Exhibition of Arts and Crafts, are planning a discussion or works on Saturday, November 7th at the Carnarvon United Church Education Building, it was announced by C. D. Ferguson, Chairman of the group. The executive of the art group

are asking all artists associated with it to complete some works of art during the month of October, and bring these works to the Symposium on November 7. The paintings will be discussed by competent artists and questions answered, said Mr. Ferguson. "Encouraging artists to get out and choose their subject and execute their work, and then provide such an exchange of opinion and discussion will help the artists in developing and improving their work; better than just an occasional week-end of supervised sketching", stated J. Gauthier, Associate Member of the Ontario Association of Artists and executive of the Highland Haliburton Art Group. "The Symposium is part of a programme of promoting and interest in, and appreciation of, the arts and crafts in the Highlands", said Mr. Gauthier. A special vote of thanks was given to the ladies of the Carnarvon United Church U.C.W., and the Carnarvon Lumber Company for their assistance in making the Annual Exhibition a success.

It was announced that 18 paintings, and numerous handicraft were sold during the Exhibition which is quite an encouragement to the local artists.

Now Available

LOANS FOR STUDENTS

Guaranteed by the Government of Canada

Purpose: The purpose of the Canada Student Loans Act is to facilitate bank loans for students who need financial help to continue full-time studies beyond secondary school level at Universities and other educational institutions.

Who can apply: Any Canadian citizen, or anyone resident in Canada for one year who intend to live in Canada after completion of studies, may apply for a loan under the Act. An applicant must be enrolled or intend to enroll as a full-time student at an educational institution approved by provincial authorities, and must meet the standards of academic qualification and financial need established by the student loan authority in the Province in which he applies.

Amount of loans: Depending upon individual circumstances and financial need, loans up to \$1,000 a year may be made, with a maximum of \$5,000 during a student's academic career. The Provincial Authority receiving applications and determining eligibility will issue a certificate to each eligible student stating the maximum amount the student may borrow. This Certificate of Eligibility is required before a student can arrange a Government Guaranteed Student Loan with the bank of his choice.

Repayment: Interest-Free and Delayed Repayment Period

To assist students, the interest on loans during the period a student continues full-time studies, and for six months thereafter, will be paid by the Government of Canada. During this same period no repayment of principal is required, nor will any service charge or fee be payable by the student.

Method of Repayment

Borrowers will begin to pay interest and to repay loans six months after they cease to be full-time students. The current interest rate to students is 5¾% per annum. Normally the repayment period will be five to ten years. Borrowers have the right to repay loans in part or in full at any time without penalty.

Life Insured

In the event of the death of a borrower responsibility for repayment of the loans will be assumed by the Government of Canada.

Where to apply: A list of approved educational institutions in Ontario is contained in a brochure now available at banks, universities and other educational institutions. Ontario residents planning to attend one of these institutions should apply directly to that institution for a Certificate of Eligibility.

Ontario residents planning to study in other provinces or countries should direct enquiries to: Department of University Affairs, Suite 600, 344 Bloor Street West, Toronto.

*The above notes are based upon the Canada Student Loans Act 1964 and are for reference only.
All applications and loans are subject to the full terms and conditions of the Act.*

LEGION RECEIVES BULLETIN AWARD FOR FOURTH YEAR

The results of the annual provincial command branch bulletin contest have just been published with the "Highland Veteran" retaining second place in its class for the fourth consecutive year.

While this achievement is something every member of the branch should be justly proud, the editor of the "Vet" feels they are in a rut because there is room at the top and further. He states their goal should be "the best overall bulletin" for that extra award.

The "Vet's" editor also said, concerning the award, "This position has been held by larger branches than ours, however, with a little more effort on our part, some new ideas, and perhaps a change of format, this goal need not be beyond our reach."

Provincial public relations chairman R. A. Kennedy, congratulated the branch on its achievement and in commending all who submitted entries, states that they were all of very high calibre and the judges had a most difficult task in arriving at their decisions.

The awards will be presented at the fall district convention.

EMPTY SAN BEDS DUE TO SHORTENED TREATMENT

Dr. H. E. Good, medical advisor to the Haliburton County Tuberculosis and Health Association, reported that 98 days were taken off the average Ontario patients' time in TB sanatorium in the last three years. In 1959, the patients who were discharged averaged 283 days in sanatorium.

"No wonder there are a few empty beds," he said, "the turnover of patients has been accelerated. The accumulated hospital time saved patients in the two years over 12,000 months."

"This helps the patient returning home as well as the new patient who is not delayed from beginning immediate treatment. This is a major advantage over being overcrowded as the sanatoria have been until 1954."

ESSONVILLE

OBITUARY

William E. Walker

A highly respected citizen, William E. Walker, passed away in Haliburton on July 12. Mr. Walker was the husband of the former Alberta Carson and they came to our community in 1958 from Garden Hill, Ont.

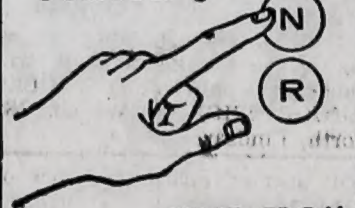

Just prior to his death Mr. Walker was employed by the Emmerston Lumber Co. He was a member of the Baptist church. For some three years he was a member of Brand 129, the Royal Canadian Legion. During the last war he served for five and a half years with the Algonquin Regiment.

Besides his wife, whom we all fondly know as Bertie, Bill is survived by his father, Josiah Edward of Port Hope. His mother was the late Ellen MacElwain. A son, Edward, with the RCAF at Portage la Prairie, Man., survives along with a daughter-in-law and three grandchildren, Eddie, Timmie and Cathy. Mr. Walker also leaves three sisters, Eliza (Mrs. M. Beatty), Millie, Mrs. J. Henderson and Ruby (Mrs. C. Wilson) together with two brothers, Ronald of Quebec and Mac of Garden Hill.

The Legion funeral was held on Monday, July 16 at Port Hope cemetery where interment took place. The pallbearers were six members of the Millbrook Legion.

The fine qualities expressed by Bill Walker at all times never die, so he will always remain alive in our hearts.

In Memoriam

BUCHANAN — In loving memory of J. A. Buchanan, who passed away seven years ago, September 9th, 1957.

So much is taken from us,
As along life's way we wend;
The joy of sweet remembrance
Goes with us to the end.
So we leave him in God's keeping
The rough road safely o'er;
Not "lost" to those who loved him,
But only "gone before".
—Always remembered by the Family.

ROBERTS — In loving memory of a dear Mother who passed away Sept. 11th, 1961, and a dear Father, who passed away Oct. 10th, 1945.

May you always walk in sunshine
And God's love around you flow;
The happiness you gave us,
No one will ever know.
It broke our hearts to lose you,
But you did not go alone;
For part of us went with you,
The day God called you home.
—Lovingly remembered by Lucille and Eldon.

SIPE — In memory of our dear Father and Grandfather, Ephraim Allen Sipe, who passed away Sept. 9th, 1963.

Though his smile is gone forever,
And his hand we cannot touch;
Still we have so many memories,
Of the one we loved so much.
His memory is our keepsake,
With which we'll never part;
God has him in his keeping,
We have him in our heart.
—Lovingly remembered by Daughters, Son and Grandchildren.

SIPE — In loving memory of my husband, Ephraim Allen Sipe, who passed away Sept. 9th, 1963.

He is gone but not forgotten,
And as dawns another year;
In my lonely hours of thinking
Thoughts of him are always near.
Looking back with memories,
Upon the path we trod;
I bless the years I had with him
And leave the rest with God.
—Ever loved and remembered by wife Laura.

Initial Meeting Of Consultative Com.

The Consultative Committee on Education for the County of Haliburton held its initial meeting in the office of the Public School Inspector on the afternoon of August 31st, with all members present: Messrs. F. Puffer, C. P. Rogers, F. Miller, O. Todd and F. MacIntyre. This meeting, under the chairmanship of F. Puffer, spent the afternoon in consideration of its purposes and duties, as designated in Bill 54 of the Second Session of the 27th Legislature of the Province of Ontario. Mr. F. Welch, clerk-treasurer of the County Council of Haliburton, also attended this meeting.

Briefly, the following resume of the appointment and duties of the above committee are presented. The above committee is a mandatory appointment by County Council as per the above mentioned Bill 54. The duties of this committee are outlined as follows:

"The council of a county may direct the committee to report on petitions for the establishment or enlargement of county school areas and to obtain information and make recommendations in detail regarding:

- (a) the desirability of establishing or enlarging county school areas comprising two or more municipalities or parts thereof; and
- (b) any other matters affecting public school education in the county."

The appointment of this committee provides the first opportunity for the enlargement of elementary school administration to a county school area. It might also be pointed out that Bill 54 provides the media by which such county school areas may be formed, and legally constituted.

Lands and Forests Report**BANDING OF WOOD-DUCKS**

For the third consecutive year the banding of wood-ducks is taking place at the Department's research station on Nogies Creek north of Bobcaygeon. Karl Sars, a second year University of Toronto biology student, is in charge of the operation this year under the direction of the District Biologist.

The Lindsay District is one of several districts in the Province engaged in this project, the purpose of which is to provide a means of charting the extent of wood-ducks' travels and provide information for use in computing the continental population of this species.

One hundred and seventy ducks were banded at Nogies Creek in the conduct of this program during 1962 and 63, with approximately 10% of the bands being returned since.

Bands have been returned from ducks bagged within 7 miles (Bobcaygeon, Ontario) of the banding site, and from a far away as 1200 miles (Selma, Alabama), the majority of bands returned however, were taken from birds bagged within 50 miles.

To capture ducks for banding, a platform submerged to a depth of 3 or 4 inches is placed on stakes driven into the creek bed; a trap baited with whole barley is then placed on the platform.

The trap is visited morning and night seven days a week, the ducks trapped between visits being banded and released.

Although these are wild ducks they appear to accept their temporary incarceration and are astonishingly docile while the band is being applied.

Some ducks return again and again, in fact, one fellow was trapped and released seven times.

The banding of ducks usually starts about the third week of July and continues until two weeks before opening of the duck season; during the early stages of the operation before the broods break up it is not uncommon to find from 6 to 8 ducks of the same family in

the trap.

Wood-ducks have many natural enemies, one of which, a great gray owl, demonstrated his fondness for duck in the presence of the bander by seizing a newly banded duck approximately 100 feet from where it was released.

At one time wood-ducks which are probably the most colorful of our wild ducks, were extremely scarce; their numbers have grown in recent years however.

A factor in the resurgence of wild duck populations generally is the increase in beaver populations. Beaver create the conditions favorable to the propagation of many species of water-fowl.

Seventy-two wood-ducks were banded during this year's operation, which terminated on Sunday evening, August 30, 1964, some of these will no doubt be bagged by local duck hunters while others will find their way to winter feeding grounds in the Carolinas, Alabama, etc.

Rotary News

The Haliburton Rotary Club held their weekly luncheon at the United Church on Thursday night last. Seven guests were present and seven local members were absent.

Secretary Jack Robertson read a letter from the Orillia Rotary Club re a meeting there on September 19th.

Rotarian Russell Woodcock called on the members to come out and help put the dock away at the Rotary Beach sometime this week.

Dick Clarke reported no birthdays on the menu this week.

The guest speaker was Mr. Bob Henry of the Elizabeth Brown Memorial Camp at Duck Lake near Blairhampton. Mr. Brown gave us an insight into the work they are doing with emotionally disturbed children. The speaker was introduced by Gerry Dawson and thanked on behalf of the club by Ken Wilson.

Stanhope Council

Minutes of the Council meeting of the Township of Stanhope held on September 2nd, 1964. All members present except Ferguson.

Moved by Bill Johnson, seconded by Allan Sisson that the minutes of the previous meeting be adopted as read. Carried.

Moved by Bill Johnson that the correspondence be accepted as read and filed for future reference. Carried.

Moved by Bill Johnson, seconded by Alfred Wills that the Clerk be authorized to get approval from the Department of Highways, and to call for tenders for snow ploughing and sanding roads for 1964-65 season, same to be at an hourly rate, contractor to supply truck with driver and truck repairs, Township to supply snow plough and repairs to same, also a driver's helper. Lowest or any tender not necessarily accepted. Further information may be obtained at the Clerk's office. Carried.

Moved by Bill Johnson that the accounts amounting to \$69.06 and August relief \$122.25 and Road Voucher number 8 \$1,112.44 be allowed for payment.

Moved by Alfred Wills, seconded by Allan Sisson that this meeting adjourn until Thursday, the 1st day of October, 1964, at 10 o'clock a.m. unless called sooner by the Reeve.

TO THE VOTERS OF DYSART ET AL

On Saturday, September 19th, two questions will be placed before you which, if answered in the affirmative, will mean a two million Dollar industry located in the Municipality of Dysart Et Al. This will give employment to upwards of 150 people which cannot help to aid the economy of this area, not in just two months, but over the whole year.

The statement put forward by those opposed, that the only ones who prosper will be those who sell alcoholic beverages, is ridiculous. Work and wages not only benefit those immediately concerned, but in the end profit all.

Let us strengthen our economy and move forward on the road to progress by voting on the following questions as indicated.

Another Big Weekend For Golden Slipper

Two of the largest crowds of the season enjoyed and put fun in dancing Saturday night and at the Mid-Nite Frolic Sunday night at the Slipper.

On Saturday night a combination of Hi-Fi Music and Fred Clement's live band, with Bob McCaw calling for the square dancing, made the evening complete for the local and holiday visitors to Haliburton.

On Sunday Mid-Nite another capacity crowd turned out to the frolic and dance contest which took place at 1:45 a.m.

During the first part of the night as the people were dancing, the judges picked out those who they considered the best to compete in the semi-finals.

For the twist contest: Miss Lynda Suter and Mr. Bob Hough, Miss Brenda Kirkpatrick and Mr. Gary Turner, Miss Roseline Morrison and Mr. Jim Henry, Miss Lorrian Clement and Mr. Don Perrin were chosen and from this group it was difficult for the judges to pick the winners. However, the prize went to Miss Lorrian Clement of Oshawa and Don Perrin of Haliburton.

For the jive contest, those competing were Miss Linda Boyce and Lloyd Cowan, Miss Dona Perrin and Dave Teatro, Miss Lynn Morrison and Brian Crearey. The winners of this group were Dona Perrin and Dave Teatro.

For the best dancing couple, Miss Dawne Poquet and Dennis Richardson, Miss Karen Clements and Ron Butcher, Mr. and Mrs. Anderson competed, with this prize going to Mr. and Mrs. Anderson.

For the best square dancing couple, Miss Linda Boyce and Lloyd Cowan took the prize.

The judges were Edith Hale, Carl Holmstrom and Terry Hale, all of Toronto.

Mr. Bob McCaw took complete charge and MC'd the contests to the satisfaction of everybody as was the judges' decisions on the winners.

The dancing will continue every Saturday night at the Slipper.

DEATHS

MARY ANNE NORWOOD

Mrs. Norwood passed away suddenly at the Toronto East General Hospital on Sunday, September 6th. The funeral service was held from Washington and Johnston Funeral Chapel in Toronto on Wednesday, the 9th day of September at 2:30 p.m., followed by interment at Prospect Cemetery in Toronto.

She was the widow of the late James J. Norwood. She is survived by her father, George White, of Wilberforce and five children, George and Caroline, both of Australia, Rosemary of Brampton, John of Toronto and Mary Rose of Acton.

Guest At Anniversary

Mrs. Mary Curtiss of Erie, Penn., U.S.A. attended Mr. and Mrs. Sam Nesbitt's 65th Wedding Anniversary, celebrated at their home on Sunday, August 30th. Mrs. Curtiss, who is Mr. Nesbitt's only sister, has been the guest of Mr. and Mrs. Bert McNeil during the last four years.

A very large group of friends and relatives were present to join Mr. and Mrs. Nesbitt in celebrating this happy occasion.

Test Netting Completed

Officials of the local Department of Lands and Forests office at Haliburton told the Echo on Tuesday that test netting has been completed in Loon Lake.

Six days netting resulted in a take of 440 smallmouth bass and 229 pickerel. All fish were released back to the lake.

Local Department of Lands and Forests claim that there seems to be an excellent population of both bass and pickerel in Loon Lake.

Correction—

In our write-up last week under the heading "Season's Set for Hunting" in the Lindsay District, we stated that the duck possession limit was 100. It should have read 10.

TRUCK SIDESWIPE DUMP TRUCK

On Friday morning last a 1956 International stake truck driven by Roy Hewitson of R.R. 2, Arris, Ont., sideswiped a 1953 Dump Truck owned by Harry Blair of Haliburton. The accident happened on the North Kashagawigamog Road near Silver Beach Lodge on a sharp curve. Two horses on the Hewitson truck fell to the ground when the accident occurred.

Damage to the Hewitson truck was estimated at \$200.00 and the Blair truck was \$100.00.

O.P.P. Constable Don Lloyd of the Haliburton detachment investigated.

ed council on having built the building on a rock foundation, even though they had to go down through many feet of earth to do so.

R. Glen Hodgson, M.P.P., was then called on to cut the silken ribbon and the new building was declared officially opened.

At this point, Mr. Gordon Bibby, Clerk of the Municipality was presented with the keys.

Reeve Pritchard then introduced the members of the council namely Deputy Reeve Mark Vasey, Robert Harvie Jr., Reg Booth and Jack Jackson. All of council spoke briefly expressing each in his own way their pleasure at seeing the new building completed and officially opened.

Resort Plans

the proposed resort, a 600-acre tract fronting 1½ miles along the south shoreline of Outlet Bay.

Norman A. Rebadow of Tonawanda, N.Y., said he and his associates from the Buffalo area are convinced that the Haliburton area offers unlimited opportunities for development as a winter resort center as well as an even more popular summer center. He said construction of The Kennaway Inn will begin as early as practicable in the spring of 1965, with late December as the target date for completion. He added that the main inn building will be constructed of stone, brick and wood used "in the best proportion to show up and complement the beauty and natural surroundings of the Highlands."

Most of the service facilities to be operated in conjunction with the inn will be offered for lease, with local residents assured of priority in the screening of lessees. These would include such service units as the marina, gas station, gift shop, tuck shop, etc., Mr. Rebadow said. Local help would also be employed as fully as possible, he added.
